Program / Call for proposals	Program: Erasmus + Action: Key action 1 Group mobility of adults
Project Title	Project "Well-being and Mindfulness in the classroom: Creating a positive learning climate »
Leader	Ecole Sacré Coeur – La Canourgue, Lozère ,Occitanie, France
Description of the partner	<p>The école Sacré Coeur is a french primary school located in the region « Occitanie ». The age of our pupils range from 2 years old to 11 years old.</p> <p>Accredited school, we are looking for a partner to organise a Group mobility of adults (2 adults)</p> <p>We hope an exchange, as we would like to receive adults to complete the pedagogical project in our small city</p>
Partners sought	<p>We are looking to form a partnership with schools where the teachers have a holistic perspective on education, who would think that the emotional, social and ethical needs of students are essential for the development of the individual.</p> <p>We would also like to share practices that have a positive impact on the different dimensions of well-being that promote a more respectful and safer learning environment.</p>
Outline of the project	<p>The project aims to promote an educational exchange and a sharing of experiences among schools from different European countries. The main objective is to foster the professional development of teachers and enrich pedagogical practices through observations and collaboration around well-being and mindfulness in the classroom : creating a positive learning climate</p>
Activities	<p>To share practices that have a positive impact on the different dimensions of well-being that promote a more respectful and safer learning environment : mental and physical health, emotional safety, a feeling of belonging, and sense of purpose, achievement, and success.</p> <p>Provide opportunities to interact with colleagues of other nationalities, and exchange ideas and experiences.</p>
Deadline	<p>To submit the proposal: May 15th 2024</p>
